## 2021 UTILITY BOX ART WRAP PROJECT

The City of Fife is committed to supporting a vibrant artistic community. The mission of the Fife Public Arts Commission is to actively encourage the development and sustainability of the arts in the city. One of our newest ventures is our Utility Box Art Wrap Project.

Two city-owned utility boxes were wrapped by artwork submitted by local artists earlier this year. The Fife Public Arts Commission is looking for more artwork to continue

wrapping city-owned utility boxes. We believe that adding colorful, family-oriented artwork on boxes in highly visible areas of the city strengthens Fife's identity and sense of community.

Artists are free to explore themes that are meaningful to them, but the themes of history, community, family or the city's tagline "Industrious by Nature," could provide a starting point. We look forward to seeing your submissions!
