

City of Fife Council Goals for 2018-2020

Goal statement: Fife will be a vibrant community in which to live, work, shop and play with interconnected green infrastructure, open space and robust commercial and industrial areas that support a great quality of life and promotes a city of neighbors.

- 1) Foster a style of government that is proactive, transparent, easily accessed and engages the public.**
- 2) Maintain and enhance levels of service through efficiencies and partnerships.**
- 3) Promote Intergovernmental Cooperation in Regional Planning and other areas of common interest.**
- 4) Proactively promote the future of the City through:**
 - Completion of the City Center visioning process and supporting documentation.
 - Exceptional consistency in the integration of all significant planning documents, including land use, parks and recreation, utilities, transportation, economic development, and campus master plans.
 - Strategic implementation of Municipal Master Plan designed to develop highly functioning municipal facilities which fully support the provision of efficient services.
- 5) Design and implement with key stakeholders, a transportation system that encourages people oriented development while assuring the smooth flow of commerce by:**
 - Assuring that transportation solutions consider long-term impacts on quality of life in a comprehensive manner.
 - Focusing capital expenditures on community connectivity, putting a priority on those projects which serve to fill the gaps in the network.
 - Identify and implement cross railroad right-of-way connector solutions.
 - Minimizing short-term impacts to Fife residents and businesses during the implementation of transportation system plan improvements.
- 6) Aggressively implement the economic development plan for business recruitment, retention, development and redevelopment.**
